

Exchange Travel grant application – ISCaM

*Exchange Travel Grant application deadline – first call for 2024: **March 31, 2024***

We're awarding Exchange Travel Grants to assist members of the International Society for Cancer Metabolism (ISCaM) who need financial support to visit the lab of another ISCaM member. Each ISCaM Exchange Travel Grant is max. €1000 per applicant and aims to cover travel and accommodation costs. It excludes the reimbursement of costs for consumables and/or research activities. The same travel can be co-funded with other grants.

Eligibility

- Student and Early Career ISCaM members with less than five years postdoctoral experience, as attested by a certification letter signed by the promoter. Exceptions may be made in the case of members who have had a professional break, such as illness or parental leave.
- The applicant, as well as both supervisors (from the home lab and the Hosting research group), must be current ISCaM members.
- Duration of exchange: minimum 1 month.
- The collaboration should ideally promote the preparation of a joint publication between the two research groups (with acknowledgment to ISCaM).
- Exchange Travel Grants are restricted to ISCaM members who, without additional funding, would not be able to visit the Hosting research lab. Please consider your financial need before applying and demonstrate it in your application.

How to apply?

You should prepare an application file containing your CV, a motivation letter (max. 1 page), a research project proposal (max 3 pages) and a justification of the requested budget.

Half of the budget will be assigned before the exchange period, and the remaining half will be allocated after the visit, providing that a brief report is sent to the ISCaM central administration (maximum one month after the end of the travel period).

Results will be notified maximum 1 month after the deadline.

The applicant must perform the travel period within the calendar year after the attribution of the award.

Documents are sent digitally to the ISCaM central office: **info@iscam.net** and to Cyril Corbet: **cyril.corbet@uclouvain.be**
